

# Folklore Evenings

*We organize folklore evenings for foreign groups with traditional Polish cuisine and presentation of Lesser Poland's culture.*

*Our place continues traditions of regional wooden architecture.*

*Folwark Zalesie Manor Complex with its surroundings and beautiful panoramic view of Beskidy and Tatra Mountains is an interesting place for tourists visiting Wadowice, Oświęcim, Zakopane, Krakow or the Salt Mine in Wieliczka.*

*Our guests are welcomed by a folk band in Cracow folk costumes, live music, bread and salt and Old Polish fruit liquor. Then we invite them to our manor restaurant where we serve traditional dinner or supper with famous Polish dishes. At the end of dinner the legendary Lajkonik appears who invites the guests to have fun together.*

*We have own free parking lot for 500 cars or 30 buses.*
